Esta es una invitación para estudiantes y sus familias con el objeto de conocer el consorcio de los Claremont Colleges formado por las universidades abajo mencionadas (5Cs). Son instituciones altamente posicionadas en California y lo más increíble es que el estudiante se registra en una de estas pero tiene acceso a los créditos, los deportes, las organizaciones, clubes, etc. de todas en forma simultánea.

Deben registrarse pronto porque hay un límite de asistencia de 1000 cupos. Abajo está el link para que lo llenen lo antes posible.

We invite you and your families to learn more about The Claremont Colleges - [Claremont McKenna](#), [Harvey Mudd](#), [Pitzer](#), [Pomona](#), and [Scripps](#) Colleges - a consortium of five undergraduate institutions located in one square mile in sunny Claremont, California. Our distinct colleges, also known as the "5Cs", are united by a spirit of collaboration and connectivity that influences academics, athletics, and student life. With shared resources across the consortium, like the [Claremont Colleges Library](#) and over 250 clubs and organizations, students at the "5Cs" experience the best of both worlds: the ability to attend a small, tightly focused college while also enjoying the benefits of a larger college or university.

We encourage you to attend our upcoming virtual events to learn more about both our shared and institutionally unique approaches to a liberal arts education. *Please forward this along to your students and their families as well.*
