**Subject: Award of CIS International Re-Accreditation**

Dear Nick,

**Congratulations!**

On behalf of the Council of International Schools I am pleased to advise that has been re-accredited. Congratulations to the entire school community on this achievement. In sharing this achievement, please thank all members of the community for the support invested in the re-accreditation process.

The award of CIS re-accreditation recognises your school's commitment to student well-being and high-quality learning and teaching as well as to global citizenship and intercultural learning.

**Quality assurance and moderation**

Your report has progressed through the CIS process for quality assurance and moderation. This ensures both quality and parity for all CIS accredited schools. In granting the award of accreditation, CIS views that the strengths of the school far outweigh the areas for development. These strengths should be celebrated by the school community. The complete list of commendations and recommendations can be found in the Team Evaluation Report. Should you have any problems accessing your Report, please contact: [accreditation@cois.org](mailto:accreditation@cois.org) for assistance.

**Next Step: Accreditation Check-in**

The next stage of the accreditation cycle for the school will be the Accreditation Check-in. This takes place at approximately 12 and 24 months after a team evaluation. The pre-booked, virtual Check-in takes place between the school leader/s and the CIS School Support and Evaluation Officer (SSEO). Check-ins are part of the CIS approach to continuous improvement.

**Publication of accreditation status**

You may publish the fact that the school has been re-accredited by CIS. A specific icon is available to help you publicise your school as a CIS-Accredited School. The CIS-Accredited School icon is available for downloading in the 'Membership Services & Resources' section of the [CIS Community Portal](#).

To celebrate the granting of re-accreditation, a plaque and certificate will be awarded to the school. Colleagues from the CIS Office will contact you with further information.

**Queries**

Please contact Rick Spradling, the CIS School Support & Evaluation Officer linked to your school (rickspradling@cois.org) if there is any point that is unclear or on which you need further advice.

Once again, congratulations to everyone at the school on achieving CIS re-accredited status.

With best wishes,
